

Put the finishing touch on your repairs with **computer:)**care

**WOMEN
OWNED**

Improve longevity and increase your return on investment with a thorough cleaning of your computers.

Free diagnostics included with all in-warranty units!

Silver Refresh & Redeploy Package: \$35 per unit

- We clean the outside of the unit for that “fresh out of the box” look and feel
- We dust, clean, and disinfect all surfaces of the unit using a manufacturer-approved cleaning product
- We remove any stickers, oil, dust, or glue residue on the exterior of the unit

Gold Refresh & Redeploy Package: \$90 per unit

- Includes everything from the Silver Refresh Package
- We disassemble the unit and perform a thorough internal cleaning
- We clean all dust and debris from the ports, vents, and fans

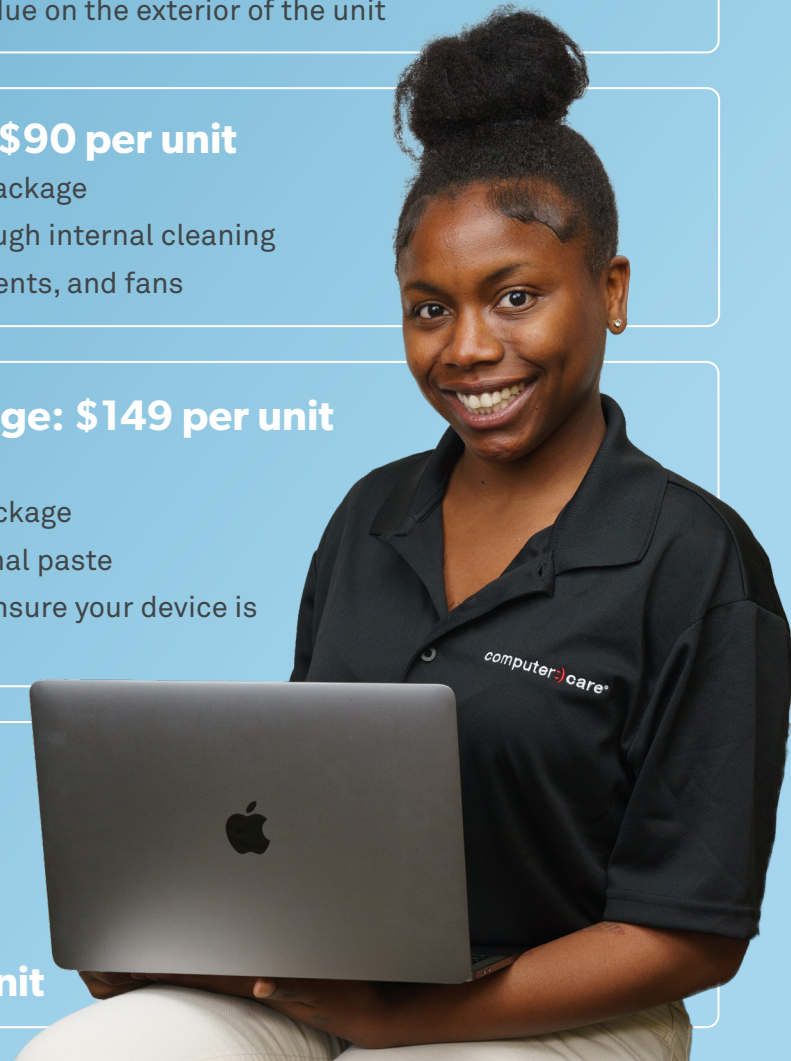

Platinum Refresh & Redeploy Package: \$149 per unit

- Recommended for units 3 years or older
- Includes everything from the Gold Refresh Package
- We disassemble the unit and apply new thermal paste
- We perform component level diagnostics to ensure your device is in tip-top shape, and ready for redeployment

Off-Boarding Refresh Package: \$90 per unit

- Includes everything from the Silver Package
- Complete data wipe and OS reinstall

Data Wipe & OS Reinstall: \$65 per unit
