

Thoughtful, tailored hardware repair services.

Let us take care of your growing business needs.

Keep your devices feeling "fresh out of the box".

- **Save time.** As an authorized service provider, we can perform both in and out of warranty repairs on broken devices.
- **Save money.** We list our prices upfront and don't tie our customers to long term contracts.
- **A wide variety.** In addition to Apple, we are authorized service providers for Lenovo, HP and Dell.

Repairs by mail, onsite and front door delivery.

- **Need a repair stat?** We offer repair services by **mail or onsite** for our larger clients.
- **Remote workforce?** We also offer residential curbside pickup for your employees in the SF Bay Area.
- **Based in the SF Bay Area?** We offer curbside pick up and delivery options to your business.
- **Shipping costs are expensive.** As a large FedEx customer, we receive 30-40% off of the listed price, which we pass on directly to our customers.

Get accurate reporting on all your devices

Find a specific device for a new hire

Submit a request, save time.

- **Sweet and simple.** Our fully customized inventory tracking portal makes submitting requests extremely simple.
- **Efficient and fast.** Tickets are processed within 30 minutes and shipped the next day if submitted before 3pm.
- **Keep in the know.** Easily see the status of all your devices at all times.
