computer:)care

Quality Policy

ComputerCare is committed to testing, repair, and data sanitization of computers, laptops, mobile devices; storing and supplying logistics of IT assets; the resale of new IT equipment to our client base; and providing solutions for the responsible, effective management and removal of end-of-life electronic assets in a manner protecting the environment, worker health and safety, our clients, and our community.

- ComputerCare is committed to continual improvement and meeting our customer requirements.
- ComputerCare is committed to comply with applicable legal and other requirements relative to the quality aspects of our business and fulfill its compliance obligations.
- ComputerCare is committed to providing a framework for setting and reviewing quality objectives.
- ComputerCare is committed to continuous improvement achieved through monitoring of objectives and rigorous evaluation of our management system.
- ComputerCare is committed to communicating and reinforcing this policy throughout our company, to all persons working for or on behalf of the organization as well as, to our customers, our suppliers, and other interested parties.
